Royal Virtual Offices

As a Home-based Business, Start-up or Soloprenuer, you don't need a full-time office but you don't want to compromise your productivity or professional image either.

Royal Virtual Office gives you a prestigious business address, dedicated local phone number with receptionist and flexible use of an office when you need it.

Royal Virtual Office covers all of your communications, business address and client meeting needs in one convenient package. And Best of all our Services are available on a pay-as-you-go basis.

You Get These Essential Business Services

- A dedicated local telephone number answered in your company name
- Calls forwarded to your home office, mobile, messaging system, or anywhere in the world
- A prime business address to use on company stationery, business cards and website
- Calls and messages handled to your exact instructions
- Messages delivered to you by phone, text, email or online
- We'll forward your mail by first-class courier, or you can pick it up
- Access to conference rooms and private offices when you need it
- Digital Fax services, Phone Conferencing and 24/7 Voicemail including Voicemail to email technology
